

2024 FTMA National Conference - March 18 & 19, Geelong VIC

Registration Form

Our upcoming 2024 National Conference aims to broaden the horizons of our members by looking 'outside the triangle'.

The event kicks off with the Red Activities Day on Monday, which allows delegates to choose between a number of activities. Following the activities, the official Ice Breaker will commence at 6.00pm at 1915 Geelong and will be a Country Fair with lots of fun networking for conference delegates.

The National Conference will take place at the Geelong Arts Centre on Tuesday 19 March. Please note, registration for conference includes registration for the Ice Breaker, Conference & Dinner.

On the Wednesday, FTMA will be running Mill Tours at AKD. These educational tours of the mill and plantation will be free for conference delegates.

As the FTMA Conference is specifically curated for timber fabricators, we are limiting the number of registrations from suppliers until February 16, 2024. Until then, suppliers are limited to:

- Supplier Member - 2 registrations
- Supporting Partner - 4 registrations
- Strategic Partner - 6 registrations
- Principal Partner - 10 registrations

Please note Conference Registration is available to all TIMBER Fabricators (members or non-members), FTMA Supplier Members, FTMA Associate Members and Timber or Training Associations.

Suppliers who are not members cannot register to attend.
