

## FTMA Employee Recognition of Service Awards

Introducing the FTMA Employee Recognition of Service Awards, a prestigious celebration of commitment and dedication within our sector. This initiative recognises those loyal employees who have offered over a decade of their skills and expertise to the same employer.

Awards will be presented to individuals who have served for 10, 15, 20, or even 25+ years, marking their extraordinary devotion at the 2024 National Conference.

FTMA Members are invited to help us identify these outstanding individuals by simply completing the table below, listing the dedicated employees who have been part of their team for over a decade, and returning to kersten@ftma.com.au.

Join us in honouring these pillars of our industry and help us make sure their dedication does not go unnoticed. Those who can't attend the conference will still be acknowledged and have their awards sent to them. Together, let's celebrate longevity and loyalty in our industry!

Employee Name	Years of Service

Please return completed table to Kersten at kersten@ftma.com.au with the subject header **Employee Recognition of Service Award.**
