

## FTMA Employee Recognition of Service Awards

The FTMA Employee Recognition of Service Awards celebrate the dedication and loyalty of employees who have made long-term contributions to the frame and truss industry.

These awards recognise individuals who have demonstrated outstanding commitment to their workplace by remaining with the same employer for **10 years or more**. Long-serving employees are the backbone of our industry, bringing valuable knowledge, experience and stability to their businesses and the sector as a whole.

FTMA members are invited to nominate employees who have reached significant service milestones, including:

- **10 years of service**
- **15 years of service**
- **20 years of service**
- **25 years of service**
- **30 years of service**
- **35 years of service**
- **40 years of service**
- **45 years of service**

Members simply need to submit:

- 1. Employees Name**
- 2. Company, and**
- 3. Their exact years of service**

FTMA will prepare and issue certificates recognising each milestone. Employees attending the National Conference will be acknowledged and presented with their awards at the Conference Dinner, while those unable to attend will have their certificates sent to their workplace.

This initiative ensures that the long-standing contributions of employees across our industry are recognised and celebrated.

We encourage all FTMA members to nominate their long-serving team members and help us honour the people whose dedication continues to strengthen our industry.

### How to Submit
